

Murder Mystery Night...

frequently asked questions

So...what happens then?

A week before the event you will receive details of a tragic death that has occurred, and a profile of your character for the evening, so you can dress appropriately (there will be a prize for the costume with the best wow factor...)

And, on the night?

You will get an envelope containing more information about your character, and details of your "task" for the evening (deviousness and the ability to lie may be helpful...) you will need to talk to as many people in the room as possible, to find out what they know.

Sounds interesting – do I need to act?

No, but overacting is encouraged (and might be rewarded with a prize...)

And will I get fed?

Oh yes, all that deduction work will require fuelling... Our chefs will be scurrying away in the kitchen making an awesome buffet for you.

And what about drink..?

The bar will be open from 7pm until 11pm...so do come along early, the evening will begin at 7.45

OK, I'm in – how do I book?
